Our Easter Offering

This year's Easter offering will help support the mission work coordinated through our Mission Council, with the following principles guiding their work together:

- 50% to support local mission in our community
- 25% to support national mission projects
- 15% to support international missionaries and mission work,
- 10% to support miscellaneous efforts such as new projects or empowering more young people to serve in mission with our local, national and international partner organizations who would not otherwise be able to do so.

Throughout much of the history of the church, Lent has represented a time of self-denial and examination, a time to ponder what it means to be a disciple of Jesus. As we prepare our hearts for the resurrection of our Lord, may your Easter offering reflect what it means to you to be his disciple.

Easter Worship Services
